

# Wheel of Time Acrostic #1

By Rick Martin

Answer the clues below the grid, with one letter per blank, using terms from the Wheel of Time. Answers may contain multiple words or abbreviations, and spaces and punctuation are not indicated. After answering a clue, transfer the letters in the answer from the numbered dashes into the numbered squares in the grid. The letter(s) after the number in each grid indicate which clue contains the letter needed to fill in that square, so that you can work back and forth between the grid and the clues. When completed, the grid will reveal a quotation from everyone's favorite Builder.
